

# 1 SHOT EQUALS LIFETIME PROTECTION

# +

# BONUS LAMBS

**CONTACT YOUR VETERINARIAN**

**Protect with Toxovax® and get 3% more lambs  
and an average 14% decrease in dry ewes**

Toxoplasmosis never goes away. One shot of Toxovax gives your ewes a lifetime of protection plus a little extra no farmer can ignore – more lambs.

With an increase in lamb numbers and a decrease in dry ewes, Toxovax is one vaccine that pays for itself. For more information, talk to your vet.
