FLY PREVENTION AND MAGGOT DEATH IN ONE

ZENITH SPRAY-ON. THE ONLY IGR THAT KILLS MAGGOTS AND PREVENTS FLYSTRIKE.

ZENITH Spray-on has everything you need to strike back against flystrike. ZENITH Spray-on is the only IGR that provides immediate maggot knock down (kill) and up to 12 weeks protection against restrike or new strike.

ZENITH Spray-on has only a 7 day meat withholding period – which gives you flexibility when you are drafting your lambs. It also controls lice which will help you reduce the chance of a lice outbreak over winter.

DON'T WASTE YOUR TIME WITH TWO FLY PRODUCTS WHEN YOU CAN BUY ONE THAT DOES EVERYTHING.
