

# SAFETY DATA SHEET

## Nobilis<sup>®</sup> Reo Inac

### Section 1: Identification of the Substance and Supplier

<b>Product name</b>	<b>Nobilis Reo Inac</b>
<b>Recommended use</b>	Vaccine for veterinary use in Poultry.
<b>Company details</b>	<b>MSD Animal Health, 33 Whakatiki Street, Upper Hutt</b> <b>Phone: 0800 800 543 Fax: 0800 808 100</b> <b>Website: www.msd-animal-health.co.nz</b> <b>Hours: 8 am – 5 pm, Mon – Fri</b>
<b>Emergency telephone</b>	<b>0800 764 766 (0800 POISON) 24 hours human health</b> <b>0800 243 622 (0800 CHEMCALL) 24 hours</b>
<b>Date of preparation</b>	September 2011

### Section 2: Hazards Identification

Hazard classifications	This product is non-hazardous as it does not trigger any of the minimum degrees of hazard under the HSNO Act 1996.
------------------------	--------------------------------------------------------------------------------------------------------------------

### Section 3: Composition/Information on Ingredients

Chemical name	CAS number	Concentration
Reovirus strain 1733 suspension (inactivated) and Reovirus strain 2408 suspension (inactivated)	-	Inducing $\geq 7.4 \log_2$ ELISA units per dose of 0.5mL
Liquid paraffin	8012-95-1	43%
Formaldehyde	50-00-0	<0.01%

### Section 4: First Aid Measures

#### Necessary first aid measures

**ACCIDENTAL SELF-INJECTION** Obtain medical attention immediately - show this SDS. Accidental self injection may result in severe pain and swelling, particularly if injected into a joint or finger, and in rare cases could result in the loss of the affected finger if prompt medical attention is not given. If you are accidentally injected with this product, seek prompt medical advice even if only a very small amount is injected and take the package leaflet with you. If pain persists for more than 12 hours after medical examination, seek medical advice again.

**SKIN CONTACT** In case of skin contact, while wearing protective gloves, carefully remove any contaminated clothing, including shoes, and wash skin thoroughly with soap and water. If irritation or symptoms occur or persist, consult a doctor.

**EYE CONTACT** In case of eye contact, immediately rinse eyes thoroughly with plenty of water. If wearing contact lenses, remove only after initial rinse, and continue rinsing eyes for at least 15 minutes. If irritation occurs or persists, consult a doctor.

**INGESTION** Rinse mouth and drink a glass of water. Do not induce vomiting unless under the direction of a qualified medical professional or National Poisons Centre. If symptoms persist, consult a doctor.

**INHALATION** Remove to fresh air and provide oxygen if necessary. If any trouble breathing, get immediate medical attention. Administer artificial respiration if breathing has ceased. If irritation or symptoms occur or persist,

consult a doctor.

**Required instructions** For advice contact the National Poisons Centre 0800 POISON (0800 764 766) or a doctor.

**Notes for medical personnel** Accidental self-injection with this oil-based product may cause tissue or fat necrosis, sterile abscess, fibrotic lumps or inflammatory local response. Prompt expert surgical attention is required and may necessitate early debridement especially where there is involvement of finger pulp and tendon sheaths. Much depends on the amount injected accidentally. Contamination of the needle must be considered.

### Section 5: Fire Fighting Measures

<b>Type of hazard</b>	Combustion of oil component is possible during the course of a fire resulting in the typical characteristics of an oil fire. Not classified as flammable.
<b>Fire hazard properties</b>	Not applicable
<b>Regulatory requirements</b>	Not applicable
<b>Extinguishing media and methods</b>	Carbon dioxide (CO <sub>2</sub> ), extinguishing powder, dry chemical or foam.
<b>Hazchem code</b>	None allocated
<b>Recommended protective clothing</b>	Wear self-contained breathing apparatus (SCBA) plus protective gloves.

### Section 6: Accidental Release Measures

<b>Emergency procedures</b>	Wear chemical resistant gloves and overalls, facemask or goggles. Prevent further spillage. Adsorb spilled product and place in sealable container for disposal. Wash down affected area with water plus detergent. Absorb and collect washings and place in the same sealable container for disposal. Seek advice from the local authority regarding disposal.
-----------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

### Section 7: Handling and Storage

<b>Precautions for safe handling</b>	Avoid contact with skin, eyes, and mucosa. Keep containers adequately sealed during material transfer, transport, or when not in use. See Section 8 (Exposure Controls) for additional guidance.
<b>Regulatory requirements</b>	Not required
<b>Handling practices</b>	Avoid contact with skin. Keep containers adequately sealed during material transfer, transport, or when not in use.
<b>Approved handlers</b>	Not required.
<b>Conditions for safe storage</b>	Store in original container. Keep out of reach of children.
<b>Store site requirements</b>	Store between 2 and 8°C. Do NOT freeze.
<b>Packaging</b>	Schedule 4

Nobilis<sup>®</sup> Reo Inac

### Section 8: Exposure Control/Personal Protection

<b>Workplace exposure standards</b>	Occupational exposure standard: liquid paraffin fume 2 mg/m <sup>3</sup> Maximum exposure standard: liquid paraffin fume 6 mg/m <sup>3</sup>
<b>Application in the workplace</b>	Ensure adequate ventilation. Keep container sealed when not in use.
<b>Exposure standards outside the workplace</b>	No TEL is set for this substance at this time EEL – not applicable
<b>Personal protection</b>	Wear chemical resistant gloves, facemask or goggles.

### Section 9: Physical and Chemical Properties

Appearance	White, water-in-oil emulsion
Boiling Point	Not applicable
Melting/Freezing point	Not applicable
Vapour Pressure	Not available
Specific Gravity	Not available
Solubility (H <sub>2</sub> O)	Insoluble but miscible
Percent Volatiles	Not determined
Evaporation Rate	Not determined

### Section 10: Stability and Reactivity

<b>Stability of the substance</b>	Stable under recommend storage conditions.
<b>Conditions to avoid</b>	Avoid high temperatures
<b>Material to avoid</b>	Avoid food products
<b>Hazardous decomposition products</b>	No dangerous decomposition is expected if used according to manufacturer's specifications.

### Section 11: Toxicological Information

#### Acute effects for individual ingredients only

TEL	No TEL is set for this substance at this time.
-----	------------------------------------------------

#### Chronic/long term effects for individual ingredients only

## Nobilis<sup>®</sup> Reo Inac

### Section 12: Environmental Information

#### Effects for individual ingredients only.

EEL Not applicable.

### Section 13: Disposal Considerations

#### Disposal information

#### Disposal

Unused container should be autoclaved before discarding.

#### Container Disposal

Discarded containers and needles should be placed in a designated, labelled biologicals container. If not available, dispose of empty container by puncturing and burying in a suitable landfill. Do NOT burn.

### Section 14: Transport Information

#### Relevant information

Not classified as a dangerous good for transport

### Section 15: Regulatory Information

#### Regulatory status

ACVM registration number: A9597.  
For conditions of registration see [www.foodsafety.govt.nz](http://www.foodsafety.govt.nz)

Approval not required under the HSNO Act 1996.

### Section 16: Other Information

#### Additional information

Nobilis is a registered trademark.
