

Dealer eShop Quick Guide

With your account details built-in, follow these simple steps to place an order at our Dealer Parts eShop.

Go to:

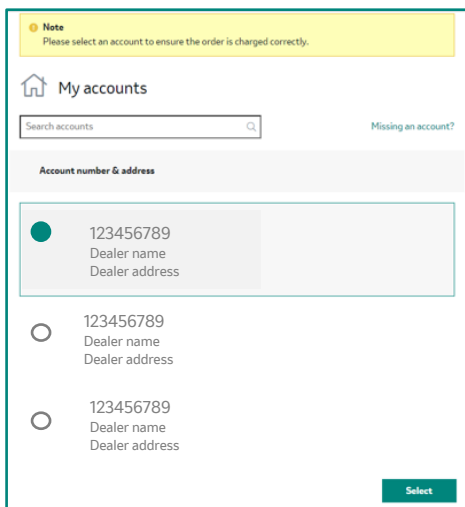

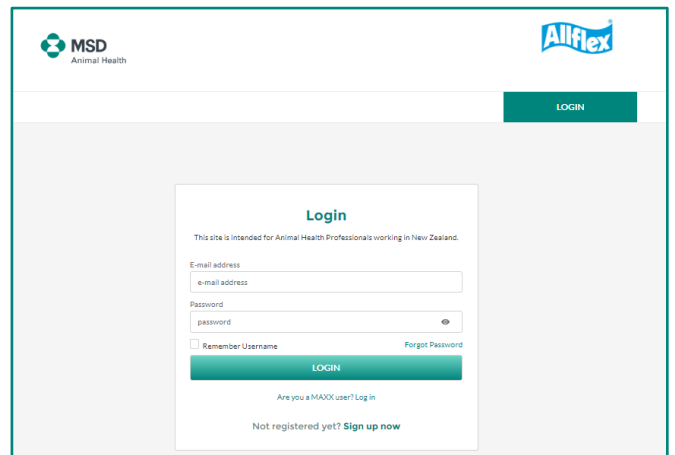

<https://shop.msds-animal-health.co.nz/>

Click the **Login now** button.

This will take you to the Login screen.

Enter your email address and password.

Depending on your account setup, you may get a My Accounts popup. If you do:

Select your account and delivery address.

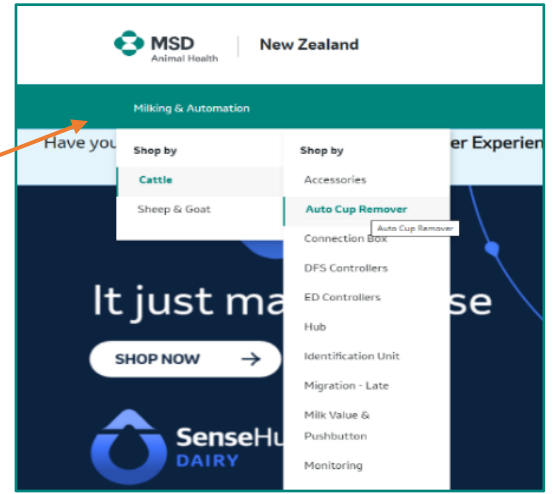

If you are setup to shop on behalf of multiple accounts or ship-to addresses, select the account you wish to shop from and the desired delivery address (otherwise proceed straight to Step 1).

Now you are ready to go shopping!

Step 1: Find the part you want to order.

Click on **Milking & Automation** in menu bar, then choose Cattle or Sheep & Goat, and browse by category.

Or, if you know the part number or name, type it directly into the search bar.

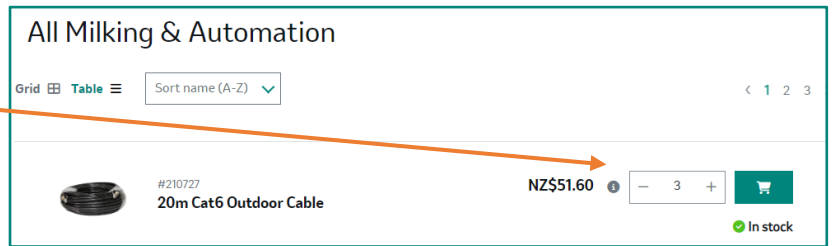

Step 2: Add parts to the cart.

Alter the **quantity** you want.

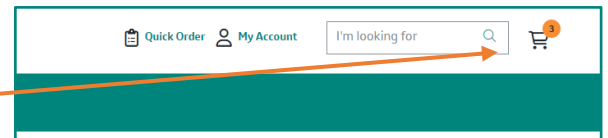

Click the **green cart icon**.

Continue shopping.

Step 3: Review your cart.

When you have added the parts you want into your cart, click the **cart icon** at the top right of your screen to view your **Order Summary**

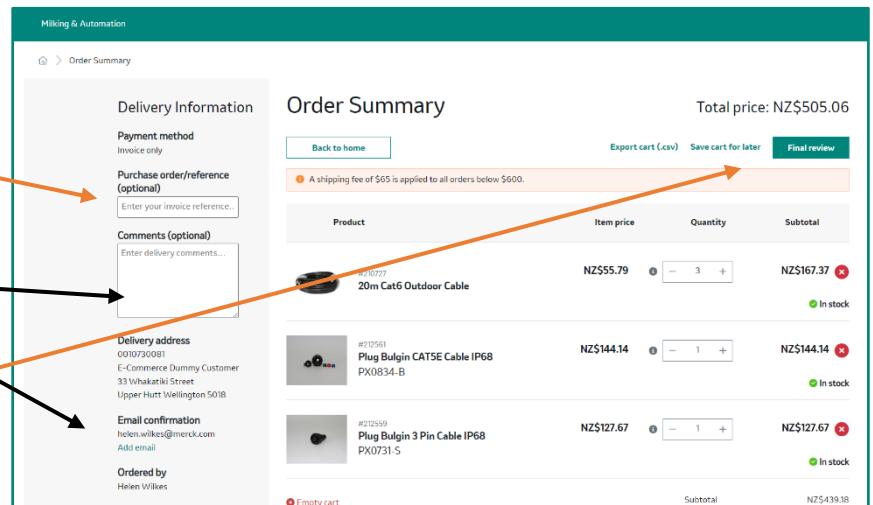

Step 4: Add a PO number.

Check your order is correct.

Add your **Purchase Order number**, a colleague's email address or any comments, if relevant.

Select a delivery date.

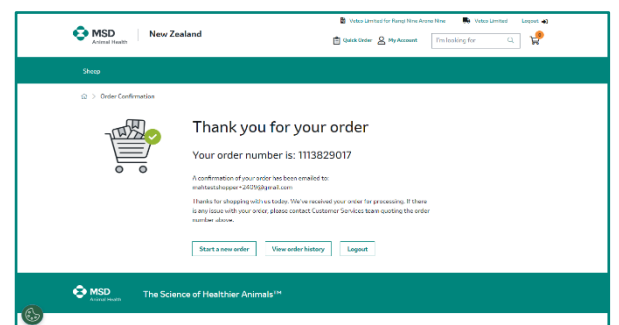

Click **Final Review** button.

Step 5: Submit your order.

At the bottom of the screen, **tick** (once you have read) to accept the **Terms of Sale** to submit your order.

You will receive an order confirmation via email.
